

1st ISM
High Performance
Computing Conference

ISM HPCCON 2015

<http://ura3.c.ism.ac.jp/hpcccon/index.html>

Oct. 9-10, 2015
Tokyo, Japan

The International Conference on High Performance computing will take place at the Institute of Statistical Mathematics, Tokyo Japan, 9-10 October 2015. The conference aims are bringing together researchers and practitioners to discuss recent developments in computational methods, methodologies for big data analysis and applications in cloud computing. Topics include, but are not limited to:

- Distributed computing
- Big Data in clouds
- Large graph
- Simulation
- Cloud computing in Education
- Virtualization technology
- Bioinformatics
- Data Visualization

ISM HPC Week

Oct. 8, 2015

ISM HPC Programming seminar

<http://www.ism.ac.jp/events/2015/meeting1008.html>

Oct. 11-12, 2015

ISM HPC on R Workshop

<http://ura3.c.ism.ac.jp/hpcrws/>

Research Organization of Information and Systems,
Inter-University Research Institute Corporation

**The Institute of
Statistical Mathematics**

10-3 Midori-cho, Tachikawa, Tokyo 190-8562, Japan
Tel: +81 - (0)50-5533-8500

Access to the ISM

- ◎ Tama Monorail -10 min walk from Takamatsu Sta.
- ◎ Tachikawa Bus -Tachikawa Academic Plaza bus stop
-5 min walk from Saibansho-mae
or Tachikawa-Shiyakusho bus stop
